Features

26

SWEET DREAMS

Bedrooms deserve the same consideration and attention to detail as the public spaces in your home.

34

A SLICE OF HEAVEN

Avid skiers, Donn and Candy Fuller built their dream vacation home with breathtaking views of the largest ski resort in the continental United States.

44

CATSKILLS CHARMER

Busy homeowners found the perfect log home retreat a short drive from their main residence.

Decorating Styles

10 OUT OF THIS WORLD

You can bring the ambience of a French chateau, a Tuscan farmhouse, or an Italian villa into your log or timber home with timeless, eclectic Old World style.

Buying

14 SNAP, CRACKLE, AND POP!

With so many fireplace options to consider, you'll need to do some research to make sure the one you select fits your lifestyle and functions properly.

Working Together

18 LIGHTING THE WAY

Working with a professional lighting designer will enhance the architecture of your home and make all of its spaces function perfectly.

Maintenance

22 TAKING CARE OF BASICS

A twice yearly walk around your home to look for necessary maintenance issues will go a long way toward keeping your home safe and in peak condition.

Things We Love ...

24 FOR YOUR LOG OR TIMBER HOME

We did a little shopping for things we think will complement your home's architecture.
